

November 18, 2017

Dear friends of MomsHope,

Providing Hope to single moms is at the core of the MomsHope mission. *Hope* looks the same for each of us: the desire for something better, MomsHope is changing the trajectory of our moms' lives, through relationships and education and one-on-one mentoring.

MomsHope is a program for single working moms that want something better for their families. Specific goals to attain personal advancement and self-sufficiency are addressed with her mentor, from whom she receives encouragement, coaching, and prayer. If needed, resources in the form of a grant or microloan are available. MomsHope equips and enables her to overcome individual challenges presented by situational or generational poverty, or a devastating loss or trauma. Cincinnati has over 70% of income households headed by single women. Our moms are working hard to make a generational impact, and to change the future for their children.

Through your continued support, we can leverage resources to continue this good work. As we enter the holiday season and wrap up this year, would you prayerfully consider a financial gift to MomsHope? Help us bless these women for their drive and determination for a better future for their families.

Thank you for your continued partnership!
many blessings,

Janet Lapps, Executive Director

P.S. If you'd like to make your gift with a credit card, you can do that securely online at www.moms-hope.org. Or fill out the enclosed card and mail with your check in enclosed envelope
